

Woldhuis Farms Sunrise Greenhouse

5 Roses for 2022

There's one flower that has captivated humanity for centuries: the rose. Cultivation of roses began centuries ago, seeking to retain their beauty while improving disease resistance and winter hardiness. We offer an extensive selection of roses, including Hybrid Tea, Grandiflora, Floribunda, Climbing, Shrub, and Groundcover types. Here are 5 for you to consider this year.

'At Last' *Shrub Rose*
